

NCOG Railfan Affiliate Memberships

NCOG has created a new membership category for those who are fans of O-gauge model railroading, but are unable to devote the time, finances, and commitment to being a fulltime General Member; but still want to stay in touch with the Club, and provide modest support financially for the the Club and its activities.

Join NCOG as a **Railfan Affiliate Member** for a fun time observing model trains being operated on our layouts, trading train stories, and meeting new people who share a common interest in model railroading.

- **Railfan Affiliate Members** receive the *NCOG TimeTable*, the club bi-monthly periodical mailed via the USPS, and access to the club websites, either www.ncogtrains.com , or at , <http://groups.yahoo.com/group/northcentralogaugers/> and access their special features.
- **Railfan Affiliate Members** can come and observe trains being run on the big layout at scheduled **Regular Runs at the Fremont Public Library**, in Mundelein IL.
- **Railfan Affiliate Members** are kept informed via *NCOG TimeTable* and website message postings about the dates and times of **NCOG Special Runs**, and other public model railroading events that the Club may be involved with or sponsor. Also included are directions and maps to these locations.
