Mission Statement

We enjoy the fellowship among railroaders and do hereby promote the hobby of model railroading.

Club History

The North Central O Gaugers Model Railroad Club was the idea of two guys, Dave Groh and Wayne Willis, who worked together in a hobby shop. They loved model railroading and wanted to share it with those who had a common passion. The club was conceived in November 1999 and the first meeting took place in April 2000. Combining their skills and knowledge of model railroading, they brought together a handful of guys and gals, who were otherwise strangers, to work long hours and most weekends building a modular O-Gauge 3-rail layout. This layout had a home at the Fremont Public Library for 22 years. In July of 2023, the layout was taken down and parts of the layout were relocated to a new location. The layout's new home is at:

**428 N. Chicago Ave.
Mundelein, IL 60060**

Our small but growing group of train enthusiasts has also built an 11 by 27 ft, traveling layout. This layout is used for outreach and other special events in the community to promote model railroading and North Central O Gaugers Model Railroad Club.

Do you presently have O Gauge trains such as Lionel, MTH, Williams, L-Line, etc.?
Yes _____ No _____

Do you have a layout at home?
Yes _____ No _____

Do you have a talent you would be willing to help with on our layout, like electrical, scenery, making buildings, or other?
Yes _____ No _____

Application for membership (or dues) can be mailed to:

North Central O Gaugers, P.O. Box 553, Grayslake, IL, 60030

Annual dues are \$100.00 per calendar year.

(Checks should be made to: North Central O Gaugers Model RR Club)

Scheduled runs and directions are listed at <http://www.ncogtrains.com/>
